

WORK EXPERIENCE

APP DEVELOPMENT LEAD | REACT NATIVE

Jasper Greene Tech, Remote, 2023 - Present

- Coordinated development and publishing of iOS and Android apps using React Native, ensuring compliance with platform standards.
- Collaborated with developers to design and implement code, completing app releases on schedule.
- Partnered with QA to resolve bugs, boosting app performance and eliminating crashes.

FRONTEND DEVELOPER | REACTJS

Hudson Burnham, Chicago IL, 2021 - 2023

- Transformed Figma designs into a dynamic user dashboard web app using React.js, Tailwind, and TypeScript, reducing development time.
- Integrated a customizable AI chatbot powered by GPT, improving response accuracy and user engagement by 20%.
- Synchronized dashboard data with Firebase Realtime Database, Storage, and Authentication, ensuring 99% data accuracy and reliability.

FRONTEND DEVELOPER | REACTJS

CMD CNTR, Remote, 2020 - 2021

- Refactored the existing codebase from vanilla CSS to Tailwind, reducing stylesheet size by 30%.
- Optimized website architecture to ensure search engine crawlers efficiently indexed content, increasing organic search traffic by 15%.
- Created and managed email marketing campaigns, improving open rates through targeted content strategies.

SKILLS

- ReactJS
- React Native
- Firebase
- Supabase
- MongoDB
- Git
- Fastlane
- Google Maps
- Mapbox API
- Typescript
- Redux
- Zustand
- Tailwind
- Solidity
- QA Testing
- Detox
- Jest
- Figma
- Canva
- Google Suite
- Adobe Suite

STRENGTHS

- Detail Oriented
- Organized
- Team Player
- Communication
- Solution Oriented
- Minimalist
- Creative
- History in the Arts
- Decisive
- Compassionate

EDUCATION

Intro to Computer Science

Harvard EDX, 2022

Javascript Intermediate

Codecademy, 2022

Foundations of User Experience

Google, 2021
